Complete Line of Ice Fishing Packages & Accessories

#1 sled on the market.

Built to take a beating.

Load it, drag it, drop it. Our sleds are made to take whatever you dish out – and not break. Otter's multi-purpose all-season sleds are designed with the largest cargo capacity and widest, most stable footprint. Durability? Otter Sleds don't crack, even at 40 below! So go where you gotta go, do what you gotta do. We're with you all the way.

OTTER SLEDS FEATURE:

- Custom compounded polyethylene
- Raised front for ultimate snow resistance
- Raised rear for cargo security
- Molded-in hitch pockets available on most models
- Standard 5/16" bottom
- Reinforced outer lip for strength
- Largest sled can hold up to 750 lbs
- Molded-in high performance ribs with hyfax pockets
- Granted a seal of approval by the North American Fishing Club

8 AVAILABLE SLED SIZES & 2 SLED COLOR OPTIONS (Medium & Magnum only):

Black–BLK | Olive Drab–OD

Otter offers several sled sizes for multiple uses, including ice fishing, hunting, and lawn & garden work. Take it on land, through snow or over water. It works hard, even when you're having fun.

- Otter Sleds are designed to haul wood, supplies, and all types of outdoors gear, in any season! These sleds outperform all other sled brands in terms of weight & load capacity
- Otter Sleds can be used in any terrain and can also be used as a lay down field blind, in wet & muddy fields
- Otter's high-capacity sleds hold their own in water. The Otter Medium sized sled can float up to 300 lbs, while the Otter Magnum Sled can float up to 400 lbs
- Otter Sleds tow smoothly behind any snowmobile or ATV
- Optional Otter portable fish houses attach to your Otter sled & fold up or down in under 60 seconds
- Great sled accessories make Otter #1. Including:
- Optional sled seats available including cushion swivel and bench seats
- Tow Hitches
- Travel Cover
- Hyfax runners
